Dear Ms. Ross,

I am writing in regards to MUR 7520 and Mr. Jeffrey Feahr's inquires on an event hosted by Gretchen Driskell for Congress on May 28 2015.

The May 28 2015 event yielded no contributions and the campaign incurred no expenses from this event. It was intended to be fundraising event, but did not have any attendees and therefore no food or catering costs. Additionally, the venue - Cawthron's Village Inn - did not require any rental or deposit costs. Reports from that period, therefore, show no expenditures for the event.

Please let myself or our treasurer know if any further information is required on this matter.

All the best,

Erin Bozek-Jarvis
